Get Involved

We need your time, talent, and support.

The programs and services of VOA Southeast are made possible through the generosity of people like you. When you make a gift to VOA Southeast, you give a gift to an organization that provides help, hope, and compassion to people in need … right here in our community.

There are many ways you can help:

• Send a tax-deductible cash donation.
• Donate online, or donate your car, truck, or boat to Volunteers of America by visiting our website at www.voase.org.
• Donate real estate.
• Volunteer your time to experience the joy of serving others.
• Give a gift of a lifetime by remembering VOA Southeast in your will, or establishing a trust or gift annuity.

To find out more about one of our services, or how you can help by volunteering your time, talent, or support (or to send a tax-deductible contribution), please call Janet Hyde in our Development Office:

VOA Southeast Mission Statement

A movement organized to reach and uplift all people and bring them to the knowledge and active service of God … illustrating the presence of God through all that we do, serves people and communities in need, and creates opportunities for people to experience the joy of serving others. Volunteers of America measures its success in positive change in the lives of individuals and communities we serve.

Volunteers of America is a national, non-profit, spiritually based organization dedicated to helping those in need rebuild their lives and reach their potential. For over 110 years, our ministry of service has supported and empowered those who are most vulnerable in our communities. Our work touches the mind, body, heart, and ultimately the spirit of those we serve, integrating our deep compassion with highly effective programs and services.

The Emergency Solutions Grant (ESG) is a program funded by Housing and Urban Development. The ESG Prevention program provides funding to prevent families and individuals from becoming literally homeless. Through the HUD ESG program, services offered by VOA Southeast may include stabilization services and short and/or medium-term rental assistance necessary to prevent the individual or family becoming literally homeless.
The costs of homelessness prevention are only eligible to the extent that the assistance is necessary to help the program participant regain stability in their current housing or move into other permanent housing and achieve stability in that housing. Eligible costs include:

- Rental Assistance: rental assistance and rental arrears
- Services: housing stability case management, landlord and tenant mediation, tenant legal services, and credit repair counseling

The ESG program’s goal is to prevent homelessness among very low-income households by providing intensive, individualized case management and assisting participants to obtain public benefits including:

- Employment and training services
- Educational assistance
- Health-care services
- Daily living services
- Income support services

For eligibility screenings, referrals, or general questions please email us at: ESGPrevention@voase.org or contact our offices via telephone:
